A T R I C K \* \* \* Any Ring 29 Member  
can perform (as the  
book says: "without  
practise") \* \* \* \* \*

MAKE A MAGICIAN APPEAR AT:

The June 6th Ring 29 Meeting.  
Ring 29 meets at the Magic  
Shoppe of Col. Seymour, 5200  
W. 29th St. Parking on Van  
Buren Street.

The difficult move of the trick  
is to make the Magician appear  
at exactly the right time.  
Thursday June 6th at 7:30 p.m.

The response to the trick is always - fun, fellowship and a few new  
learning experiences.

The June 6th Program Features.....

A. Initiation performance of our new  
member: The Great Ronzini  
"Magic For All Occasions"  
of McGehee, Ark. and..

B. YOU - If a Magician can make himself  
appear, he has talent.  
The next trick is to make some-  
thing disappear to amaze us all.  
Bring your favorite trick.

P.S. The June meeting may be an open  
air performance on the outside  
stage if the weather permits.

International Ring Contest Ends  
May 31st. When you receive this the  
complete data and Contest info will  
be in the hands of IBM Contest  
Committee. Our hopes are high.  
We've rung up points for the Ring  
especially in:

New Members (last month's recep-  
tion in lieu of initial performances  
etc.):

Bob Spray

David Becton

Hal Lane

Dennis Seamon

gave us a grand total of 12 members  
for the contest period.

We enclose a new up-dated and current membership roster. It is for  
your convenience, don't misplace it ! It helps us keep in contact !

ALSO.....

As to points we have reached the maximum  
allowed in radio, T.V. and newspaper  
publicity. Don Terry added icing on the  
cake with his four T.V. appearances on  
Channels 4, 7, 11 this month. He also  
announced our Ring's sponsoring the L. R.  
Magic Circle Festival of Magic on KARN.

THE MAGIC FESTIVAL.....

Don Terry states it was "very  
successful" with 350-400 arriving  
to be awed and wowed by the young  
ones. The Great Ronzini did a  
great escape act from a straight  
jacket on stage...from handcuffs  
in front of the law backstage.  
Zuko entertained at the "After  
The Show" Party at the Seymour's.  
25 Young Magicians performed.

Our Ring is becoming State-wide. Our members are from Arkadelphia,  
Newport, McGehee, Conway, Alexander and Hardy. The latter may be the  
smallest town represented. As you enter Hardy from the South popul-  
ation sign says 692...as you enter from the East it reads 677.  
Explanation - - One end of town is larger than the other.
