THE PROGRAM

Featuring:

Dr. Henry Johnson and Doves.
The Prestigious Prestidigitator
(We're not kidding)
He has appeared before the Governor of
Arkansas (not the way Al Houpt appears
before the Queen of England). Henry's
magical talents were placed on the auction
block and sold at the phenomenal price
of \$1500. in a charity last year. (\$1495.
for dining with the Governor and \$5.00
for the close-up. Could we have this
reversed? or backwards?)

Also:

The initial (into membership) per-
formance of Don Terry.

Don recently made news in performing:

1. at the Convention Center for under-
privileged children in a pre-Christ-
mas show and...
2. At the Aldergates Methodist Camp
(3 days running) in noon shows
for Senior Citizens.

And More....

This Thursday is a "See Yourself Show". Dr. Richard
Snowberg has consented to bring his video tape re-
corder for our February session. Richard will tape
not only Dr. Johnson's Dove Act but each member
performing a "trick" and then like on T.V. provide
an instant replay. It's said to be 63 1/3% better
than practicing before a mirror. The good doctor
"swears" to take only the best side of each per-
former. Don't worry about getting on film. Dick
will have 1 1/2 hours of video tape ready to take
good impressions.
