In your last Ring Leader you were sent a new membership roster. As you have probably already figured out, two names were accidentally omitted from the list. These names and pertinent information are as follows:

Our meeting next month will be a real treat for us all. We are invited to Mr. J. K. Poch's home for our installation of officers meeting. This meeting will be held on a Sunday afternoon. We will give the final particulars in the next Ring Leader. Mr. Poch has requested that everyone who comes must do some Magic.
