June 2nd Meeting Chuck Ruby Lecture

Chuck Ruby from San Francisco will be lecturing this month at Baptist Hospital in the Sheffield Auditorium at 6:30pm. The title of this special lecture is Red-Black Card Tricks. He will be giving out Lecture Notes. This lecture will be all about cards for the beginner up through the advanced card magician. Jim Henson has seen part of it and he recommends your attendance. His lecture utilizes a Faro Shuffle which he will explain for those who do not know how to perform this type of shuffle. *****Remember everyone needs to bring one deck of regular cards.** It will be a great evening of magic. Come on out and support Ring 29. Remember this is a **no cost** lecture so show up and enjoy!

News from the Ring

Maxwell Blade has opened the Theater of Magic in Hot Springs. It is a mostly new show so be sure to see it sometime this summer. Be sure to call for reservations

At Riverfest this past weekend, several performed including Conway's Steve Elliot, Ring 29 president Don Baer, and Ring 29's Chris Kline.

Chris Kline is also performing Street Magic at the River Market on Fridays and Saturdays so look for him while visiting downtown LR River Market.

Jimmy Rhodes, Bill Fulton and Richard Knoll will perform at the AIDS awareness get-together at Riverdale Park this Sat. June 4. Call Bill Fulton for more details.

Because the only people on the ballot for Ring 29 Board Member for the 2005-2006 are incumbents, we will not send out an official ballot. However, at this month's meeting we will have ballots and you may vote then and write in someone.

The Officer Banquet will be held near the end of July. A time and place will be announced in the July newsletter.

Remember the I.B.M. Convention in Reno, Nevada this summer June 28-July 3. The talent line up is great and so are the Dealers. It will most definitely be a unique week as convention attendees will be leaving the Convention and attending Mark Kalin and Ginger's Underground Show. You do not want to miss this. We have several from Central AR who have already made arrangements to go. Come join these people:

Vernon Hallum, Ernie and Wilma Staggs, Mike and Deedee Curtis, Jeffery O'Connell, Jim Henson and Christy Henson.

You Know You're a Magician if:

...you're willing to pay \$15 to learn how to make \$1 disappear.

...you have a dog named "Houdini".

...you have more than three decks of cards on you at any given time.

...you introduce your wife as "My assistant."

We need your news!
