October 6th Meeting "Halloween Magic" and Location Change!!!

Meetings:

* Next Magic Meeting- October 6th at UAMS. A map is included to show you how to find the place, it will be in the same auditorium that the Mark Wilson workshop was in. Meeting will begin at 6:30 pm. The theme is Halloween Magic. Come and bring magic - Spooky or Silly. There will not be an auction at this meeting. It will be fun and entertaining. You will not want to miss this!

* Duane and Mary Laflin will be lecturing for Ring 29 on November 3. Mark your calendars. There will be more information in the next newsletter.

* The Doc Eason lecture has been cancelled. His schedule has changed and he will not be coming to our part of the country this time around. He hopes that the next time it will work out that he can stop in Little Rock.

Member News:

* We had an assembly at Sallie Cone Elementary (the school at which I teach) and who was the presenter/magician? Our own

Scott Davis -he did a fantastic job and turned over a crowd of kindergarten through fourth graders that were VERY quite on their way back to the classroom. Great Job, Scott! Many teachers were vocal in their appreciation of your show, crowd control, and way of ending with such a quiet. Well behaved group! Theron Nunley

* I want to say what a fantastic time I had at our annual picnic. The magic was great and I'm still overwhelmed at the amount of lollipops Don Baer was able to get in our mouths. The game was really fun and "sweet" but my ears are still ringing from banging that bucket that was on my head. I wanted to say hello to Bill, but I was afraid he might give me a hug, with those Frankenstein protrusive devices that were sticking out of his neck (smile). It is so much fun entertaining people at our club, what a great way to try out a new act and build confidence. Pam Medrez aka Mommy Magic/Patriotic Pamy

* I'm working the Mid-South Fair every night this week. I'm working with Jimmy Dixon and his Spider Lady Booth. I'm doing some escapes out front to

bring people in, and I'm also filling in when the regular Spider Lady needs a break. I'm also going to be doing some magic and escapes at the Family Night at the Memphis Public Library with some of the other area magicians on October 14. Margarette
