## 2015 Christmas Party

## Diamond Jim Tyler

### 2016 Lecture Tour

**Diamond Jim Tyler** is a worker! He has practiced magic since 1976 and performed it professionally since 1986. Diamond Jim has opened for Jay Leno, performed for a-list celebrities like Katy Perry, Scarlett Johansson, performed for dignitaries, millionaires and billionaires.

Since 2001 DJT has lectured or performed in 45 of the 50 states, and in 27 other countries including The Magic Castle in Hollywood and the Magic Circle in London. The readership of MAGIC magazine voted DJT as one of the best lectures to see! He has also won awards from the Texas Association of Magicians and the International Brotherhood of Magicians.

His articles and trick contributions have been featured in over a dozen magic magazines and headlined at magic conventions across the country and around the world. Diamond Jim has authored books like Bamboozlers and Close-Up Magic Secrets and created DVD's teaching some great tricks. He is a regular guest star on the popular online show SCAM SCHOOL that has over one million followers on YouTube.

#### TESTIMONIAL

*"Diamond Jim Tyler lectured in Sydney to a full house at Taylor's Magic Shop and I just wanted to take a moment to encourage my friends to attend his lectures. This is the first time I have met Diamond Jim Tyler but he truly is a really nice guy with a genuine passion for people and for magic. Rarely have I seen so much useable and commercial material in one evening. Jim had us laughing and amazed from the very first effect.*

*"Some twenty or so effects were shown and it was obvious throughout that Jim is a 'worker' and thinks deeply about how to make his magic straightforward, entertaining and easy to follow. His tips and bits with the ring and string were clearly the result of thousands of performances. He has a pleasing and engaging style and is not 'in your face' like some of today's hyped up, over enthusiastic close-up workers. A sure sign of a good evening is an empty dealer table and Jim's very reasonably priced books, DVDs and tricks were all gone by the end of the night. Diamonds shine and are rare and valuable. An evening with this much shine and this much value is a rare thing too. Get along - you won't regret it." - Sean Taylor, Owner, Taylor's Magic Shop*

## Ring History

We take another 40 year look back this month to the February, 1976 meeting of the Ring. The Ring met in a new location and apparently had both outstanding attendance and performances. The President that year was Randy Irwin and the Secretary-Treasurer was Don Terry. The Ring met monthly at the Metropolitan Bank.

"This was our first meeting in our new location. The facilities are very nice. Some of the members came early and had dinner in the cafeteria. We had a large turnout of members and guests.

Our program was one of the best in a long time not to be a lecture. Six of our members came prepared with lots of good magic. Mr. Blass did a fine close up show. Logan brought some old equipment he had stored away and demonstrated it. Brad Wasson, our Disc Jockey Magician, not only spins records for a local radio station, he also had some minds spinning with his card tricks.

It was a great meeting with some very fine magic by all. Too bad you weren't here to enjoy it with us. Why not come to Little Rock and be our guest for the next meeting?"

It's always good to read about the meetings from years past to get a feel for what the Ring was either involved with or focusing on and to be reminded of who was active in the Ring. Sadly some of those mentioned are no longer with us but their memory and legacy remain. Come to the next meeting and add to your legacy. Ring members will want to know about you now as well as in the future.

Until next time, remember, the past reveals our best and our worst. We can now choose to repeat our best.

Your humble historian, Mike Curtis.
